1. I have just been informed that [REDACTED]  
and [REDACTED] have been selected as Agency  
recipients of National Institute of Public Affairs (NIPA) Career  
Education Awards for one year of graduate study at Harvard and  
Stanford Universities. The Board of Trustees for NIPA was not  
able to accept our other two candidates, [REDACTED]  
[REDACTED] These two individuals were considered  
to be highly qualified but because of space restrictions could not  
be selected.

2. I think the Agency should be proud of the fact that  
two of our candidates were approved. Likewise, [REDACTED]  
[REDACTED] should be proud of their personal accomplishment of  
successfully competing with candidates nominated by government  
agencies and departments throughout the United States.
